Forecast for Friday 16 Jul 2021

Weather: A fine and dry day with plenty of sunshine but perhaps a few patches of low cloud in the west of the Park early in the morning, dissipating very quickly. Very warm otherwise, particularly in sheltered valleys where winds are expected to be lighter.

Chance of cloud free mountain/hill tops above 600m: 80% in the west (95% in the east) initially but quickly increasing to 100%.

Visibility: Mediocre initially in the west, with mist and cloud around 300m. Improving to very good early shortly after dawn, with distant hills becoming clearly visible all around and for much of the day.
